Subject: **State Operating Permit No. SOP-92082**  
**Aqua Utilities Company, Inc.**  
**Adamsville, Hardin County, Tennessee**

Dear Mr. Clausel:

The Division of Water Resources (the division) has received your application for the above referenced project on 07-DEC-15. We have reviewed the application for completeness in accordance with TDEC rule 1200-4-5-.05 (2) and find the application to be incomplete. The processing of this application has been suspended until the following information has been submitted:

The permittee need to submit the following information:

- Design capacity of the treatment system because the permittee needs to submit SOP application fee dependent on the design capacity.
- Proposed acreage involved for spray irrigation and inches/week gpd/sq. ft. loading rate.

You should be aware that in accordance with TDEC Rule 1200-4-5-.05 (2), your receipt of this notice does not preclude the division from later requesting additional material that subsequent to the notice of completeness is determined to be necessary for permit processing.

If you have questions, please contact the Jackson Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Mr. Hari Akunuri at (615) 532-0650 or by E-mail at *Hari.Akunuri@tn.gov*.

Sincerely,

Brad C. Harris, P.E.  
Manager, Land-Based Systems
